Important information and answers to frequently asked questions:

- Every 7th grade student will take 1 full year of Science, Social Studies, English and Math.
 - o Unless a student needs additional support, Science, Social Studies, and English will be single-block classes.
 - o With the exception of students taking just Geometry, every student will take Math every day in a double-block.
- 7th grade students may lose an elective and be placed in a double-block of English based on class performance, test scores, and teacher recommendation.
- Every 7th grade student will take 1 semester of Health and 1 semester of PE.
- Students are able start a World Language in 7th grade
 - o ***Students are able to take World Language AND music during 7th grade if they choose to.**
 - o **Music and World Language classes will be scheduled with a higher priority than semester long electives.**
- If a student chooses not to participate in a music option and/or World Language option, they will sign up for semester long electives instead.
- Yearbook requires an application and is a yearlong elective.
- Students will choose 6th period enrichment classes when they return to school in the fall.
