

## **Hello Roar Singers, String Quartet, Fiddler and Parents**

I want to first of all thank you all for all you do. The guys are singing great, we have very talented student string players performing with us and I'm so excited as we approach our CMEA appearance in Colorado Springs. I've included our schedule for January below this message.

We will have tickets for parents who wish to attend this performance. The gents will have wrist bands that offer them access to all conference venues for the day.

All students must return a field trip permission slip regardless of travel arrangements.
